We need to develop our Dereham Formation House because of the increasing number of people wishing to join the sisters and our lay branch and to provide a chaplain's flat for the priest living alongside us.

Global reach online and in person.

We have an historic opportunity to become the only contemplative Ecclesial Family of Consecrated Life with permanent presence in Walsingham.

This will make us the first such community established in “England’s Nazareth”.

Help us to renew England's spiritual heart

Your support is crucial to the establishment of a visible contemplative presence in Little Walsingham **among 250,000 annual pilgrims.**

As the saying goes:
"When England returns to Walsingham,
Our Lady will return to England."

This permanent presence will:

- Strengthen Walsingham as England's premier spiritual centre
- Create a beacon of authentic spiritual formation for modern seekers
- Support national spiritual renewal movement through contemplative witness
- Reinvigorate an ancient, living centre of prayer and discernment
